14th Caboolture Open Taekwondo Championships 2019

26th February 2019

To: Instructors, Coaches, Parents, Athletes and Referees,

Dear All,

It gives me great pleasure to invite you all to the 13th Annual Caboolture Open Taekwondo Championships. The Caboolture Open is regarded not only as a competition for developing players, but as a family orientated competition where young and old compete in a relaxed atmosphere. The Caboolture Open is open to every athlete, official and club representative, regardless of affiliation and or style.

We have the usual events, sparring (from ages 5 years and up), Individual Poomsae and Pairs Poomsae (mixed or same sex). This year we will be introducing Para Poomsae for the very first time. In an effort to promote Para Taekwondo, there will be NO CHARGE for all Para Poomsae entries prior to the early bird closing date.

To ensure this event runs on schedule coaches please note; Where a match is called to begin and there is no coach available, the match WILL begin regardless, without any penalty to the player, however, should the coach take their place during the contest they will forfeit any protest for that match. The use of the Daedo Electronic scoring system will be used for all divisions and Daedo electronic head guards will be used for all red belt cadets and upwards.

I look forward to seeing you all this year and please feel free to contact me for more information.

Yours sincerely

Carlos Lakerdis

Competition and Events Manager

Sparring Information

Coaches must register online for accreditation. We ask that your club provide sufficient coaches to avoid the possibility of players competing without a coach. Please note that, under WTF rules, a maximum of three (3) calls to the field of play will be given. Fights will proceed in fight number order. If a player is ready, the fight will proceed with or without a coach. A coach may enter the court to commence coaching even if the match has started.

A coach briefing meeting will occur at 8:30am, where they will be briefed on the day's proceedings and advised if there are any changes to the day's format. Coaches are required to attend briefings.

Referees must register online for credentialing. We ask that your club provide sufficient referees to ensure the day runs to schedule. All clubs who have accredited referees please ensure this information reaches them. A lunch will be provided to the referees, as usual, and to ensure we cater for enough people we urge you to register online. All referees will receive a gift on the day, on top of their per diem payments, as an appreciation of their time.
